

Calf Paste

The Scours Buster!

60 gram Tube
Four Applications

SweetPro's Calf Paste with ProBioteIN® is designed to be a broad spectrum intervention and preventative to the challenge of scours. Calf Paste has added toxin binders and the **MOS** advantage.

- **Charcoal to bind toxins**
- **Functional proteins to combat pathogenic organisms**
- **Probiotics to seed the intestine with the appropriate population of microorganisms**
- **ProBioteIN® a multi-prebiotic fiber blend that provides substrates for the digestive microbiome of a healthy calf**

For optimum results administer 15 grams to calves at birth and following stress, repeat dosage as necessary.

Guaranteed Analysis:

Total Lactic Acid Producing Bacteria.... 5×10^7 *CFU/gm
(*CFU = Colony Forming Units)
(Lactobacillus acidophilus, Bifidobacterium thermophilum,
Bifidobacterium longum, and Enterococcus faecium)

INGREDIENTS:

Vegetable oil, Wood charcoal, Dextrose, Yeast Culture (Saccharomyces Cerevisiae yeast grown on a media of Wheat, Barley Malt, Oats, and Flax), Sodium Aluminosilicate, Dried egg, Sorbitan monostearate, Dried lactobacillus acidophilus, Dried bifidobacterium thermophilum, Dried bifidobacterium longum, Dried enterococcus faecium, Dried bacillus subtilis.

The biological components were selected for their symbiotic relationship with the gut microflora. All components are safe, natural biological products.
